In the matter of the Bunkey Drainage District in the counties of
 Limerick and Tipperary.

WHEREAS certain proprietors of and persons interested in the lands upon 10
 and adjacent to the above-named river on or about the twenty-second day of
 December one thousand eight hundred and ninety-four presented their petition
 to the Commissioners of Public Works in Ireland under the provisions of
 the Drainage and Improvement of Lands (Ireland) Act 1863 (herein-after
 called the Act of 1863) and the Acts amending the same accompanied by the 15
 proper schedules maps plans sections and estimates together with other
 particulars and information required by the said Act showing by reference
 to the said maps the boundaries and area of the proposed drainage district
 and stating the exigencies rendering the formation of such drainage district
 necessary and praying that said lands within the proposed district should be 20
 constituted a separate drainage district under the provisions of the said Acts;

And whereas the said Commissioners referred the same to Samuel Usher
 Roberts Esquire civil engineer an inspector duly appointed under the said
 Acts:

And whereas all notices and inquiries required by the said Act have been 25
 duly given and made and the said inspector has duly reported to us the said
 Commissioners in writing the result of his inquiries and we the said
 Commissioners have duly considered the same:

And whereas no objection to the said report has been made to us:

And whereas all preliminaries required by the said Act of 1863 to precede 30
 the making of this Provisional Order have been performed and complied with:

And whereas we the said Commissioners upon consideration of the premises
 are satisfied of the propriety of constituting the proposed separate drainage
 district and that the proprietors of one moiety in value of the lands in the
 proposed district are in favour thereof and have subsequently to the date of 35
 the report of the said inspector assented thereto in writing and that the
 proprietors of one-third part in value of such lands in the said district have
 not expressed in writing their dissent to the formation of the said drainage
 district:

Now therefore in pursuance of the power given to us by the said Acts we the Commissioners of Public Works in Ireland do by this Provisional Order under our common seal constitute the area in the said petition and report and the boundaries and extent of which are set forth within yellow lines on the map to which we have caused our common seal to be attached (and which map is deposited in the Office of Public Works in Ireland) a separate drainage district by the name of "the Bunkey Drainage District."

And we do declare that the lands to be purchased for the proposed works in said district (subject to such alterations and deviations therefrom as we the said Commissioners may hereafter sanction) are the lands in that behalf shown and set forth in the said map and the schedule thereto annexed marked with the letter B and also sealed with our common seal.

And we the said Commissioners of Public Works do by this our Order order and direct that the time for the completion of the necessary works in the said district shall be limited to the thirty-first day of December which will be in the year one thousand eight hundred and ninety-seven.

And we do further by this our Provisional Order make the following regulations with respect to the drainage board:—

That the drainage board for said district shall consist of five members.

That the following persons shall be the members of the first drainage board viz. Charles M. Going Esquire Craig House Bird Hill county Tipperary Frederick C. Henry Esquire Tughermore Tuam county Galway William Hunt Esquire (Agent for Robert Du Ross Esquire) 83 George Street Limerick Charles Arthur Ryan Esquire Ballinasloe House Newport county Tipperary and Ernest Brown Esquire Ballinacorra House Limerick.

That the first meeting of said board shall be summoned by notice under the hands of any two or more of the said board published in the Dublin Gazette and some newspaper generally circulated in the said district at least fourteen days next before the day of meeting.

That the qualification of any subsequent member of the said board shall be that he shall be the proprietor (as defined by the said Act of 1863 and the Acts referred to therein or incorporated therewith) of not less than twenty acres of land situate within the area of the said district or the land agent for the time being of a person being a proprietor as aforesaid of not less than one hundred acres of land situate within the area of said district and acting as receiver of the rents and profits of such lands.

That the members of the first board shall vacate their offices on the first Thursday in September in the year following the date of this Provisional Order.

That the electors for members of the drainage board shall be the persons in that behalf mentioned in the said Act of 1863 Provided always that no such elector shall be entitled to vote or exercise any privilege as such unless the lands of which he is the proprietor or some portion thereof

A.D. 1896.

shall be rateable on account of the works in the district and he shall have previously paid all rates or arrears of rates which may be payable by him in respect of any drainage rate for the aforesaid district.

In witness whereof we the said Commissioners of Public Works in Ireland have hereunto caused our common seal to be affixed this sixteenth day of 5 December one thousand eight hundred and ninety-five.
